Long Hot Summer!!!!

Well, it has been since March that I sent out a newsletter to all my wonderful customers. I have to confess, this summer heat is ghastly, 113 degrees in the shade! Dyeing wool has been difficult but I have managed to add a couple of new wools.

Antique Green

I invite you to go look at my new website, designed by my awesome webmaster, Sally Van Nuys of High Time Design. You can pick up her link on my website, I encourage anyone with a small business that wants a presence on the web to go check her out. Sally is an artist with a keen eye for all of us little people.

Antique Rope

I have been very busy with Create and Decorate this summer and all of my contributions are on my website.
